LEISURE TIME

Early in the fall come rare moments of spare time. Many old and new Gardner Webb students can be found spending these moments sharpening athletic skills, or spending their hard earned money in the bookstore.

Also in the early fall, golden horns and music return to campus as band members prepare for marching season.

First Annual, Second Floor, Lutz Backgammon Invitational "Another One Bites The Dust."

Diane Moore—Is that you?

What is this? Debbie Masters in blue jeans! I bet she's looking up, "HOS".

What Are You Doing Tonight?

Above: A Pinball Wizard! Left: Practice Makes Perfect.

Who said, "Two heads are better than one???"

Looks like Jim's playing post-office again.

JUST FOR FUN

"Let's cut'em off at the pass."

Our Biggest Brother

That's what I call service!

"That's it? Where's the COOKIES?"

The devil made me do it.

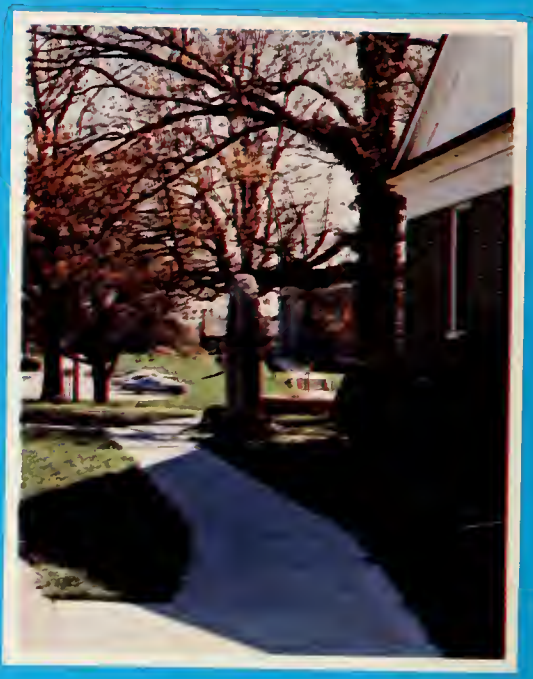
E B HARWICK HALL

NOBLE IN THE PAST

The Hamrick Building is truly an example of Gardner-Webb's noble past and holds many touching as well as historical memories for many people. Hamrick Hall was built as a memorial to the men who died in World War I. Construction began in the spring of 1920 and completion was in 1925. In 1937, the building burned. With walls left standing, renovation began in 1940 and was completed in 1942. At this time it was dedicated and named the E.B. Hamrick Hall. It served as a housing for administration and a meeting place for chapel as well as various classes. Governor Gardner became interested in the college and had the building painted white. Later the brick walls were sand-blasted and restored to the original natural color. Here the Hamrick Building stands in only one of the many winters it has endured. Hopefully, it will continue to stand noble and proud.

Peace and Serenity



A builder builded a temple
He wrought with care and skill;
Pillar and groins and arches
Were fashioned to meet his will
And men said when they saw its beauty:
"It shall never know decay.
Great is thy skill, O Builder,
Thy fame shall endure for aye."
A teacher builded a temple,
He wrought with skill and care;
Forming each pillar with patience,
Laying each stone with prayer.
None saw the unceasing effort;
None knew of the marvelous plan;
For the temple the teacher builded
Was unseen by the eyes of man.
Gone is the builder's temple;
Crumbled into the dust.
Pillar and groin and arches
Food for consuming rust.
But the temple the teacher builded
Shall endure while the ages roll;
For the beautiful unseen temple
Was a student's immortal soul.

Yes folks, this is **THE** Boiling Springs!

VARIETY !

Britt Mills Appears Exhausted From Studying.

This is what Special Olympics is all about.

Gardner-Webb is proud to host the Special Olympic games each year. Handicapped children from all over Cleveland County come to participate. The excitement of the day is not only for the kids; above, the coaches are excited awaiting the arrival of the olympians, along with the launching of the TV 13 balloon.

Long hours of practice are finally over—can't wait for the big game.

Time for leisure and time for study.

GROWING IN THE PRESENT

Construction of Lutz-Yelton Convocation Center

GREAT IN THE FUTURE

LUTZ-YELTON CONVOCATION CENTER

The Lutz-Yelton Convocation Center will include the Paul B. Porter Arena with a seating capacity of 4,500. The gym will be one of the most sophisticated facilities of its kind in the region. In addition to the arena, the center will feature the Wayne Dehart Arcade, classes for the physical education department, the Kathleen Dover Fine Arts Theater with a seating capacity of 600, a human performance laboratory and other facilities.

Laxton Construction Company of Charlotte, N.C. is the contractor and Murphy/Martin and Associates of Shelby are the architects.

"The completion of this building will fill a major void in the life of this campus. Our musicians have no stage on which to perform. The completion of this building will fix that. Our Health and Physical Education majors have no laboratory and activity areas. The completion of this building will fix that. Our basketball team has no arena appropriate for their skills. The completion of this building will fix that. Our 1500 students have no recreational area for free play. The completion of this building will fix that."

DEDICATION

Mr. and Mrs. Paul B. Porter

LUTZ-YELTON FOUNDATION, INC.

The Lutz-Yelton Convocation Center is named in honor of the Lutz-Yelton Foundation. J. Ray Lutz and Paris Yelton were two of the founding fathers of the Lutz-Yelton companies. Both have been friends of the College for many years.

A substantial donation was given to the College during a $1,125,000 campaign. From the Lutz-Yelton companies generous action, the Lutz-Yelton Dormitory was completed in 1963 and houses 100 male students.

Paris Yelton was chairman of the successful 1959 fund drive which netted $560,000. During a Gardner-Webb Convocation program, he was given a Citizens Citation for outstanding work in church, civic and educational fields. He was Bulldog of the Year in 1980 and has been a member of the Board of Advisors.

His wife, the former Donnis Gold, attended Gardner-Webb College and has been a trustee of the College. She was "Alumna of the Year" in 1959. The Yeltons have two sons, Robert William and Don Leland.

J. Ray Lutz is married to the former Lillie Hoyle of Cleveland County. They have one daughter, Betty, who is married to Dr. R.F. Bowling of Shelby. The Lutz family also includes four sons, Robert, William D., Ray Webb and Jack Lutz.

PAUL B. PORTER

Paul B. Porter is President of Porter Bros., Inc. in Shelby, N.C. He and his company have consistently supported the Gardner-Webb College Bulldog Club and contributed to the Endowment Fund.

He has taken a personal interest in Gardner-Webb College students and has employed many graduates of the College. Porter Brothers are faithful advertisers in the football program for Gardner-Webb.

In October 1978, Porter issued a $100,000 challenge to the citizens of Shelby to support the Gardner-Webb College Convocation Center Campaign. Porter challenged Shelbians by pledging to give $1 for every $4 given or pledged to the Convocation Center. In 1980, Lloyd C. Bost, chairman of the Shelby campaign, was delighted to announce that the $1 million goal had been met. By October 1980, Paul B. Porter had surpassed his initial challenge with a total gift of $300,000 for the 65,000 square-foot strucfure. With this in mind, the Convocation Center will open with a Paul B. Porter Arena housed within.

Paul is married to the former Margaret Alexander of Cleveland County. They have one daughfer, Ellen, who is married to Gary Warlick of Shelby.

For their constant support and interest in Gardner-Webb, the College proudly dedicates the 1981 WEB to these three families.

DR. CRAVEN EDWARD
WILLIAMS
PRESIDENT

President's Message to the Students

Love without criticism brings stagnation. Criticism without love bring distruction. I urge you to remember that people must be discriminating appraisers of society, knowing wholy and precisely the things that thwart them and thus need modification. But at the same time, you must be discriminating protectors of society, preserving those features that nourish and strengthen people and which make them free. If you have to choose between being the fatalist Sancho Panza or the idealist Don Quixote, by all means choose Don Quixote.

THE ACADEMIC CABINET

Dr. Paul Jolley, Dr. Robert Lamb, Dr. Craven Williams, Dr. Charles Andrews, and Dr. George Cribb

"It takes a lot of planning, thinking, and directing to keep an educational institution's policies coherent, viable, and stable. The responsibilities must be meted out in order to handle current and future programs and problems.

Dr. George Cribb has the responsibility of handling all academic correspondence and presiding as chief academic officer at all academic ceremonies. Dr. Paul Jolley has been given charge of long range planning and the overseeing of the academic eligibility of athletes. Dr. Robert Lamb meets with students on matters of academic eligibility, progress, etc. He also works with the library director in an advisory capacity. Dr. Charles Andrews works with faculty on academic matters via the department chairpersons. The college president acts in a coordinating fashion for all administrative functions of the entire academic program."

CLUBS AND ORGANIZATIONS

Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up. Again, if two lie together, they have heat: but how can one be warm alone? And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken.

Ecclesiastes 4:9

Guess Who?

The graduating nursing class of 1980 decorates the nursing hall to celebrate their achievements.

Ah ha! Caught you this time!

"The Mikado" was the drama presentation given in the spring of 1980. Many students from all areas of study participated in this colorful play. The Gardner-Webb Orchestra provided orchestration for the drama. The play was directed by Mr. David W. Smith and the orchestra was under the direction of Mr. Robert L. Decker, both of the Fine Arts Department. The production was a very big success.

PM Magazine comes to Gardner-Webb! The college was honored by their visit. Our beautiful spring campus was featured several times in one of their daily presentations on WBTV television in Charlotte. Below is Gardner-Webb's exhibit in the Cleveland County Fair. This historic event happens every fall in Cleveland County and Gardner-Webb is proud to be a part of it.

"Pose please."

Horace Hammett and Lorene Woody were both teaching at Boiling Springs Junior College in 1928 when they decided it was too bad their students didn't have a school song. The couple, who were dating at the time, decided to compose one. Sometimes the couple disagreed with each others efforts on the song. The couple almost broke up over it. Finally, the songwriting team finished their project. The next year they got married. Here, the Hammetts lead the singing of their composition during a special convocation on January 15, 1980 which opened Gardner-Webb College's 75th anniversary celebration.

Spring Jubilee 1980

The initial idea of Spring Jubilee was to serve as a replacement for the old May Day tradition. This was a festive celebration carried on when the college was in its earlier development. Today, Spring Jubilee is thought of as more of a replacement for Homecoming it's an excuse for having a celebration in the spring too. Here, students are involved in one-legged races, pie-throwing, and sack races. It's a lot of fun and makes a big mess, but then it's always "tunner" when its messy! Looks like a real celebration, huh?

A good game of Volleyball and then its on to the sack races.

In past years the Spring Jubilee celebration has been in the form of carnivals and outdoor parades. Over all, though its just plain good entertainment. The Student Government Association coordinates and sponsors the entire event. Much work and preparation goes into organizing the activities. There's even a Queen! Nominations are taken for Spring Jubilee Queen and representatives from each class attend. Last year's queen was Miriam Harding. She is pictured on page 133.

MORE FUN!

JAMES H. RASH: TEACHER, SERVANT, LEADER

Gardner-Webb lost a valuable teacher in 1980. Jim Rash was the victim of cancer. Many of us still love and miss him. Below is a tribute written by a true and close friend of Jim's, Ernest Blankenship. Blankenship is chairman of the English department at Gardner-Webb.

James "Jim" Rash spent the last sixteen years of his life in the service of fellowmen and his denomination at Gardner-Webb College. As a teacher Jim was innovative, creative, demanding and compassionate. To the beauty of art he added love. Students everywhere testify to his effectiveness as a teacher.

Jim's sense of humor, especially when he was in good health, enriched the quality of life among his colleagues; and unlike those who come on strong in the beginning and then fade away, Jim was a man whose value over the years perceptively and appreciatively increased in the minds of those who knew him best.

Jim was a faithful husband and a devoted father. For his family he was willing to make any sacrifice, and life itself was not more dear to him than the welfare of his family.

The Church occupied much of Jim's thought and energies. He saw the Church as an institution through which social concern and help for the poor and oppressed should be channeled. His vision and his example continue to challenge the social conscience of the Church and serve as living monuments to his spirit and his service.

First, he set up a fund to establish a home for the aged and the infirm. The suggested possibilities offer inspiration to the members of Boiling Springs Baptist Church and should be a challenge to churches everywhere.

Second, Jim involved the Boiling Springs Baptist Church and a great portion of the Boiling Springs community in the Broughton Ministries. This program of service won Jim the esteem of the citizens of Boiling Springs, the gratitude of the patients and staff of Broughton Hospital, and on two occasions the commendation of the Governor of the State.

The recognition Jim received was small in comparison to the service he rendered. Very few people, if any, fully appreciated or knew the extent of his work. Jim spent most of his "leisure" hours in the art lab devising new glazes or in some inconspicious place planning more effective ways to broaden the service ministries of his school and Church to the patients of Broughton Hospital, to those in need in his own community, or to those in need in some other community. Unobtrusively, but persistently, he went about doing good deeds. The result of his spirit and work remains and constantly reminds us of the quality that we would like to find in the true Servant-Leader.

Jim resisted being placed in the conventional mold that his world held for him with judgmental rigidity. His generosity forbade his laying up treasures for himself, and his "individualistic" manner forbade that he conform to the conventional patterns. Of the roads before him, he chose the one "least travelled by," and that made a difference in Jim's life and in the life of his community.

Ernest Blankenship

TRIBUTE TO THE LATE ROBERT L. TREXLER

Dr. Robert L. Trexler passed away April 25, 1980, after experiencing heart difficulties at a faculty meeting. On April 29, 1980, a memorial service was held with Keith Dixon, Associate College Minister, presenting this tribute. Many clearly endorsed this tribute saying, "Yes, that's the way we knew him." We believe you will appreciate this sincere remembrance.

Today we have assembled here as a college family to honor Robert L. Trexler. This is a very special time for all of us because of our deep love and appreciation for Mr. Trexler. I feel that many of my experiences with him were like the experiences many of you have had with him because of his genuine concern not only for his students but for every student on the campus of Gardner-Webb College, as well as his colleagues.

Mr. Trexler's concerns touched all areas of life in this college community. He demanded academic excellence in the subjects he taught. Any student of Mr. Trexler's can testify that to take a test in his class, one had better know names, dates, places, the obvious, as well as the background materials. "God gave us a mind to develop and use" came from his lips many times in conversation.

But, Robert Trexler's concerns did not stop at the classroom door. His dedication to his sense of Christian Missions developed into the Missions Fellowship Organization on our campus. He wanted people to be aware of the missions both on campus and in the churches. He was an avid supporter of the Christian Service Organization to help those students who had answered God's call into ministries of all sorts. At any time, you could find Mr. Trexler at a Bulldog Basketball game. He wasn't just a spectator; he was a participant. Just this year, he had to leave a game that was close because the tension was too much for him, and he feared what happened this past Friday afternoon. So he walked outside the gym and waited on the sidewalk the final 3 or 4 minutes to hear the final score. He was there not so much in support athletics, but more so in support of the athletes. On the lighter side, those who knew Mr. Trexler best probably found out that he was quite a hand at matchmaking! He had me matched with every secretary he had from 1975 to just a few weeks ago! But underneath the laughter and fun was a concern that his students and friends find a fine Christian helpmate because he knew how important that part of life was and often expressed his thankfulness for his wife who was so dear to him.

In retrospect, I've only touched on a few areas of the life of a great man of God. Robert Trexler was a man who followed the two greatest commandments of the Almighty God. He loved the Lord God with all his heart and all his mind and loved His neighbor as himself! Often I heard the words, "Keith, come by if you have a problem you need help with, or if you just want to blow off some steam, or just relax and talk . . . " I had heard those words from many people, but somehow a genuineness in the warm voice of Robert Trexler rolled out the welcome mat after the words had subsided. This openess was not just to me but to everyone!

Life was dear to Robert Trexler. He loved life and lived it to its fullest. There was no secret about where his joy of living came from. He knew the Giver of life, and he wanted everyone to know and experience the new and abundant life in Christ. Robert Trexler loved and was loved; he cared and was cared for; and his life was so precious to us because in it we can see that truly life is worth the living because He (Jesus the Christ) lives!

THE YEAR IN REVIEW—that's what these 160 pages are all about. They bring to mind memories that have accompanied this great school year and serve as a history book for Gardner-Webb's 76th year of success.

Gardner-Webb's noble foundation supports its growing present and points to a great future for the college. I have found through research of the college's history that Gardner-Webb has experienced many cold and trying times. It has also seen many good and prosperous times as well. Gardner-Webb has grown in many ways this year. The student population increased, new building was constant, programs increased and diversified, and academic excellence continued to rise. All this points to a GREAT FUTURE for Gardner-Webb. This is our theme for the 1980-81 edition of the WEB. It fits us well.

The annual has taken on new characteristics this year. Unlike past volumes, the 1981 WEB contains more color than any before it. It also looks at life at Gardner-Webb with a lighter view—how it really is you might say. We've shared the happy, the sad, and the "in-betweens" and hopefully the WEB has captured some of all. The staff's primary goal is to present an overall idea of what Gardner-Webb is all about. In doing this, I sincerely hope that we have captured at least one time that is special to you.

The WEB involves many people to whom credit goes unrecognized, although their contributions were essential in the making of this book. My appreciation is extended to Mrs. Debbie Putnam for her constant efforts in overseeing the total publication. Mrs. Sharon Garfield also took a special interest in the WEB and has contributed much in its development. I would like to thank Lem Lynch and Garland Davis for their photographic work and their interest in the yearbook. A special thanks goes to Sandra Smith of Herff Jones Yearbooks. She was an excellent representative and a wonderful person. The WEB staff including Wally Ainsworth, Sherri Diehl, Tim Doss, Steve Russell, Kent Stairley, Dana Wong, and Jim Wood, are to be commended for their full-time work on the annual. Most of the work was done by them and each one has contributed individual ideas in the making of the WEB. Finally, I would like to thank the students of Gardner-Webb for whom the book was made. Without them, it wouldn't have been possible!

It has been an extreme honor and pleasure to be the editor of the 1981 WEB. Thank you for allowing me the opportunity to serve you.

Evans Whitaker
